## Private Dinner with Wine

Guests will enjoy our regular shore excursion program in Rudesheim. That evening our VIP group will visit the town once again to enjoy dinner at the Schloss Ruedesheimer restaurant. This local establishment is well known for local favorites which include homemade potato soup, followed by a typical Rheingau dish, such as trout cooked in melted butter and almonds with potatoes, or wild boar goulash with spaetzle. No German meal would be complete without enjoying a dessert such as apple pie with ice cream. All accompanied by local wine and the festive atmosphere.
